Text Edits

10 cartography edits are included in the commission of a 22cm globe. Cartography edits are text-based edits and can include anything from adding a special town or place that might not otherwise be on the map to highlighting special places in a colour so they stand out. All major cities and capitals are included.

Examples of requests include adding holiday destinations, university names, suburbs, or neighbourhoods. For example, New York City is on the map, but Brooklyn is not, unless requested. We can highlight the label or placemaker in a different colour (we suggest a claret for good visibility, shown in photo) or change the placemarkers to a different style such as a heart.

Illustrations

We offer bespoke illustrations which are handdrawn and hand painted. Other popular requests include travel routes and handwritten calligraphy, which are quoted on top of the price of the globe. The decision to add further detail to your commission can be made after you place your order. We provide digital mock-ups for approval on placement, sizing and style before your globe is made.

Current Political Information

Current political information corresponding to the time your globe was made is optional on each globe.

Unless requested to not be included - your globe has a World Leaders List with current heads of state. Please request for this information to be included or taken off.

You can also request to replace the list with wording of your own; a poem, quote or your favourite world facts. Please send through any alternative text exactly as you would like it to appear on the globe.

Base Engraving

60 characters standard with all mini desk globes

Included with your commission is an engraving.

The base holds up to around 60 characters on a circular disc in the base. You see it when you lift the globe from its base and it's perfect for names, dates or a short quote.

The wording will be centred on the disc and spaced to fit - please provide your engraving exactly as you'd like it - with or without quotation marks - including the punctuation as you'd like it.
